Hough® Announces Strategic Move to New Corporate Headquarters in Hamilton, New Jersey

EWING, N.J., October 4th, 2024 – Hough Petroleum is excited to announce its purchase and official relocation to its new corporate headquarters located at 52 Route 33, Hamilton, NJ 08619, with an effective date of November 15th, 2024.

Hough's President & CEO, Gregory Hough, commented, "As we have continued to grow, adding locations, business units, and staff, it was imperative to relocate to a larger and more modern workspace for our team. This new facility gives us flexibility to add team members, improve our technology, and most importantly serve our customers to the highest level and industry best-in-class."

Hough continued, "we also felt that it was important to continue to remain loyal to the Mercer County community, where we have been located since our founding in 1945, as well as the core area where our philanthropy efforts are geared."

The new headquarters will serve as the corporate offices for Hough Group Holdings, the parent company to Hough Petroleum Corp, Swell Wash, Jack's Shack, Mighty Auto Parts of Central Jersey, Manahawkin Shell Tire & Auto, Hough Capital, and Deverleigh.

Hough, headquartered in Hamilton, NJ, is a leading Mid-Atlantic petroleum & energy products distributor of BP, CITGO, Gulf, Shell, Marathon and Sinclair branded gasoline and unbranded fuel. The company also provides petroleum-related services and equipment with operations in New Jersey, Pennsylvania, New York, Delaware, & Maryland as well as operating retail repair shops, convenience stores, and car washes.
